The

1940 BORGAN

Presented by Borger High School

Borger, Texas

By Miss Ola Eskelson

The Borger school's a friendly school
So friendly that one feels the glow
In classroom, hall and vestibule
Of this fine friendliness we know.

New students who on coming in
From outside country town or state
Confess surprise that they begin
So soon new friendships to create.

The cordial spirit of the west
In all its fine simplicity
Parading at its very best
Marks Borger High, they all agree.

And those who come from near and far
To match their skill in contest lure
Affirm so many times we are
The best of host, the best for sure.

That this superlative degree
Of friendships rare and worthy name
Should be so common and so free
In Borger High as hundreds claim.

Explains the prestige we have gained
In these fast flown fourteen years
And how high place we have attained
Surpassing many of our peers.

The Friendly School

Thoughts of the Editor's

The students and I in compiling this yearbook have striven to portray our school events in chronological order, grouping them according to the seasons in which they occurred. Our efforts will be well repaid if the reader can in any measure visualize a school year in Borger High as we experience it.

We dedicate our <u>Borgan</u> to Miss Ola Eskelson, one of the most patient, diligent, and tolerant teachers we have ever known. We all love her for her sympathy, wit, and many talents, among which are piano-playing, and poetry-writing.

—And so we begin——

FALL

This year ushered us into a period of great activity

The first few days of September found us being registered

It is a real pleasure to me to have been associated with you during your entire High School career. It is my hope and prayer that you may find the preparation that you secured in the Borger High School beneficial to you in every way after you leave the High School.

We do hope that a real and lasting success will be your achievement. We hope that you may take an active part in the upbuilding of your community and contribute to the general welfare of your city and community.

To this end, let me with Browning advise you: "Strive, and hold cheap the strain; learn, nor account the pang; dare, never grudge the throe!"

With Ulysses you should resolve: "To strive, to seek, to find, and not to yield."

W. A. McIntosh,
Superintendent

Because of his buoyant, ever - youthful spirit, our principal, Mr. Adkins, understood us from the first, thus capturing our hearts completely

JOE CHITWOOD

On September 7, according
to ability and preceding
work, we resolved ourselves
into classes — Senior, Junior,
Sophomore, and Freshman

Louis Roberts

"Pres"—the boy with the quizzical smile – dashing bandit of "The Taming of Tuffy," school play – National Honor Society member – golden-voiced commentator for the "Growl"—*and* our super-super Senior prexy.

Gearld Carter

Gearld is our pride and joy, and a hard worker if there ever was one—he's Senior class vice-president, the "Growl's" editor-in-chief, vice-president of the National Honor Society, Junior Business Manager of the 1939 *Borgan,* and leading man in several plays.

Helen McDonald

The school's dusky beauty – a girl of copious accomplishments –secretary of our class—a whiz at the art of piano-playing – possessor of two firsts for this ability—owner of two big brown eyes and a dazzling smile—that's "Mac."

Louie Cohn

You have now the honor, dear reader, of gazing at the face of our Most Popular Senior Boy—be duly respectful, for the illustrious Mr. Cohn is also treasurer of his class, a National first division sax-tooter, and has, to top it all, a string of girls *that long!*

Vera Adams

Our little *Borgan* Ed with hair so red is the best to be found for the job she holds—is a "top notcher" in other fields, too, especially in Latin – "brought home the bacon" from last year's district Latin tournament – holds a high position in all our hearts.

Robbie Lee Atchley

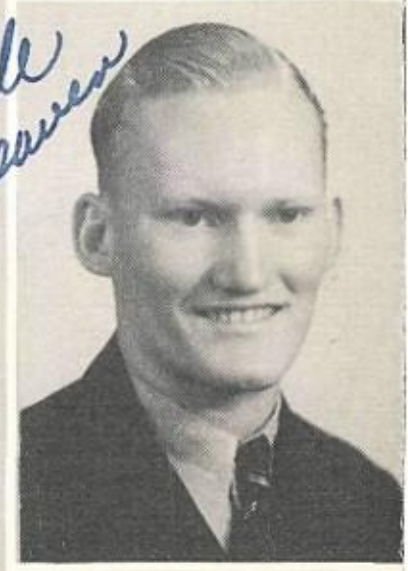
Robbie Lee is one girl who doesn't let spring fever get the best of her—is a true worker and Borger High is proud of her – was perfect stage manager for "She Stoops to Conquer" – has been active in the Current History and Library Clubs – admired by all her classmates.

To a swell kid
good luck
Ralph

Ralph Bayless

Although only a one-year Borger student, "Scoop" has scooped up enough activities and friends to keep him busy—sports-edited for the "Anadarko Chronicle" before coming here—has "music in his bones," and, incidentally, in that deep-toned larynx of his.

Merle Beaver



Merle Beaver

"Muskrat" is a newcomer to B. H. S., but his quiet ways have gained him many friends—he is a "whiz" in science and can be found in the lab at almost any time – a valuable student to Borger High.

Betty Lou Beckley

Little Miss Beckley, with her capricious ways, is a most efficient heckler when it comes to drumming up trade for her dentist father or "heckling" swingy tunes from her baby clarinet or sax—showed the latter ability in bringing home National First Division Solo Honors for two consecutive years.

Mrs Willie Mae Betts

Willie Mae, in all she does, fetchingly fulfills her more familiar appellation, "Goodness"—"Home Ec's" around like the bustling little housewife she is—is an active club member, and an inseparable chum of Lois Covey's.

Grace Boggess

Grace is a newcomer to Borger High and has rapidly gained friends—she has been a vital part of the Library Club, but most of her time is spent in studying to continue a splendid nursing career.

Married Nov 26, 1940

Marie Bray

"Sweet Marie" is renowned for her beautiful auburn tresses—is fondly called "Red" for this very reason—she's an expert in the art of piano-playing — is just as good at typing—belongs to the Commercial Club — can speak Spanish with the best of them.

"Best Wishes always"
Marie Bray

Dee Boulter

"Dee Boy" is the owner of that delightful little grin that we see so much—was chairman of the radio program in the D. O. Club and is an ardent camera fan—troubles never worry Dee—he's footloose and fancy free!

One of the most
Sweetest Kids I've
Ever Had
Dee Boulter
Thanks
Kraus

Betty Briggs

"Dutch's" devastating dimples long ago captivated the school's heart — their lovely owner, besides being Queen of the High School in '38 and Best All-round Girl of '39, is a "goin' dog" in all school activities, including band, plays, and clubs.

married June, 1940

Leona Bowling

Leona is the person you hear so much about but never see—no wonder, she's so quiet, so small, and always so busy—president of Foods Club, active on the typing team, and a yeller for those Bulldogs for two years—a pride and joy of Borger High.

Mary Jo Briggs

There never was a gal like this Josephine — she's got everything —a full and notable school record, acting ability, efficiency in office-holding, and, to top it all, a marvelous talent for public speaking.

Chrystine Boylan

"Chris" carries quite a fund of crisp comicality under her quiet, reserved exterior—participates in almost every extra-curricular activity possible, including tennis, her favorite—works hard for the Pep Squad each year—is one of the few who have perfect records of school attendance.

Mack Brooks

Mack never lacks something to do — frequently acts, and with gusto, in plays—presides over the small but superior Math Club—is the "Borgan's" all school and Club Editor—P. S.: Beware, or he'll sell you an annual!

married aug 16, 1940

Jack Brandon

B. H. S. couldn't function without "Lightning" — that "little" boy with a head of bright red hair—he's won honors in baseball and proved himself indispensable to the football squad. Jack played a grand part in "Hoosier Schoolmaster" and stole the show in "She Stoops to Conquer"—just for a laugh or two!

Frances Brown

Frances is so quiet that B. H. S. isn't so well acquainted with her —but it couldn't get along without her—besides being the owner of two beautiful brown eyes, she has been active in club affairs, on the freshman baseball team, and has been in the Pep Squad—a joy to work with and to know.

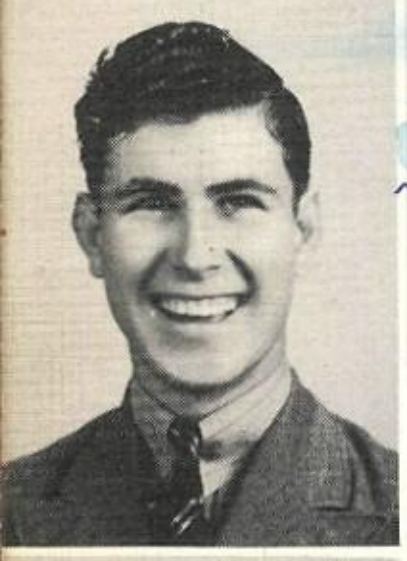
Lots of Luck
Frances Brown

Ira Bruce

"Apathy" is Borger High's "Strutting Sam" – sang in the Glee Club two years and played a grand part in the Senior play, "Imaginary Invalid"–makes an excellent "general flunkey" for the Senior Class.

Forrest Carson

Just like Skeezix, his "nickname-sake," Forrest is a boyish, like-able chap–makes a dandy Junior Policeman–stole the show, "In Time for Christmas," last year–has a pleasant, typically Western drawl.



Harold Winters

Harold, better known as "Al-ley," is the beloved clown of Borger High – played football one year – Diversified Occupations seemed more inviting, however, and as a result he has become an outstanding student in D. O. class.

Charles Carter

Charles is so small he could easily be taken for a "Fish" – but his mental capacity makes up for the lack of inches in height – hails from Denton, Texas, where the smart ones grow as thick as fleas–was active in 4-H Club work and since coming here has been very interested in science–a perfect "bookworm"!

Irene Buss

Irene Buss

Irene is one of those "few and far betweens" who can be both gay and serious–she's an efficient worker – designed the costumes for "The Imaginary Invalid"– reported for the "Growl" one year.

Dewayne Casity

Here's "Hopalong," bashful, busy band member of Borger High–he's dark and small – seems to lead a busy life out of school as well as in–has been an active member of the band for three years.

Anna Maud Byrns

Whoever first coined that old familiar phrase, "pretty as a picture," must surely have been thinking of someone just like this bright-eyed Mademoiselle– she acted a lovely servant girl in this year's Spanish play–is quite interested in Home Economics.

"Best of luck to you - It has been a pleasure knowing you." Anna Maud Byrns

Burl Winks

"Wee Willie Winksie" runs through the school with an in-exhaustible fund of high spirits –has for three years carried this pep onto the football field – played in the band two years – is best known for the admirable way in which he rushes out to gain new friends.

Stanley Cannan

Handsome Mr. Cannan is, as his name might imply, a good "shot" with his camera – edits the sports section of our *Borgan* with great results–is our Best All-round Boy–lettered on the "Bulldog" team one year – is saved by his twinkling eyes from becoming a too-dignified Science Club prexy.

Katherine Clark

This Irish lass is never last to "come through the rye" – has come commendably through many plays and three years on the "Growl" staff – as Band Sweetheart, she rules the School –could rule anyone with her girlish, winning ways.

Erdeene Clegg

"Deen," although a newcomer this year, is seldom seen without one of her newfound friends—and no wonder, for she's a perfect little friend herself — belonged to the Pan-American Forum at Fort Worth, and joined the Big Sister Club here.

Glenn Cogdill

Married Nov 1, 1941

In this corner we have Man Mountain Cogdill—one of these tiny big sensations, if you get what we mean—a good student, especially in Diversified Occupations—though he has a frown for all who disobey his stop-and-go signals, he's really a "little bunch of sunshine."

Betty Conley

Lookie, lookie, gaze on "Cookie," clever cutie of the Conley family—step aside for the president of the History Club — incline your ear to hear her play bell lyres and clarinet—then thank us gratefully for the advice.

Mack Connelly

"Bone Crusher" Connelly, as he was known in the good old days, is an all-round kid and a good football player—quiet most of the time, but when started, sounds like a walking dictionary —is a well liked orator of the Public Speaking Class—smallest lineman in District 1-AA football.

George Copeland

"Ge Ge" fascinates us all with his blue, blue eyes behind those specs which make him seem so wise—the illusion is not a complete paradox, however—we find out just how wise he is when reading his "Party Line," scandal column of the "Growl" — George is best known to us as an actor, however — our plays wouldn't be complete without him.

Elnora Engle

We pride ourselves on having caught the correct "Engle" for this pose — we couldn't have found one much prettier — our subject is also quick on the trigger, and a typist "whiz-bang"—is a Diversified Occupations addict, and a perfect class attender.

married July, 1940

Lois Covey

"Miss Punie," the short little member of the pep squad — doesn't say much, but isn't afraid to talk—has sung in the choral club for two years and in '38 excelled in extemporaneous speaking.

Pat Crosby

Here's a beautiful blonde who's "croonfully" following in the footsteps of another Crosby—sang on Variety Night last year —she has advanced the cause of the J.C.L. and other clubs for several years—(her name's Pat, but call her "Pet" for short).

Frank Cox

Frank will do a good deed for anybody—only too gladly! That's why he has so many friends. Besides being an excellent manager for the Senior play, he is a great enthusiast of science—eats it for breakfast, dinner, and supper.

Gladys Elver

A lovely girl is Gladys, whose hair is, as the immortal Sylvia's "like the night" — she has "clubbed" in the Big Sister, Personality, and Chemistry Clubs, besides holding a position in the school library—made a great success of the "Imaginary Invalid" costumes—has the middle name of "Dependability."

Bill Forbus

Mention Bill and enough's said –has played his way into the hearts of many girls and doesn't know what "seriousness" means –loves school so much he hates to leave–school or the girls?

Jack Fox

"Foxie"–a four-star band member who can play both "sweet and hot" on that cornet, and takes pride in everything concerned with the band–an active member of the Industrial Arts Club.

Windel Fraley

Get a good look at this green-eyed boy, for when watching him on the football field, you will see, not Windel, but a "Twister"–he's a two-year Bulldog letterman, and one of the best–is an eminent member of clubs and classes, and turns the heads of all the lasses.

Luck to you always in every thing
Bobbye Freeland

Bobbye Freeland

Pep, pep, and more pep has Cheer Leader Bobbye, which is probably the reason why we yell when she says yell–she's been able treasurer of both the Dramatic Club and Junior Class of '39–can easily be spotted by her "I like you" sort of smile, and her innate inability to catch jokes.

married "Big Sully" April, 1940

Maxine Gaiser

This is "Maxie," a peppy laughing miss with numerous interests – "Big Sully" ranks high among them, with volleyball, dramatics, and Library Club coming in for their share.

Homer Garrett

"My kingdom for a 'Buck'," say all the girls–little wonder there, for Buck is a real football hero, having played star center for two years–speaks Spanish fluently–can be recognized anywhere by his manly physique, or by the cute red Ford he so valiantly tries to drive.

Nadine Gentry

"Sadie" is a lady, for she comes of landed Gentry (cute, eh?)– is the helpful parliamentarian of the National Honor Society – has been capable as both president and secretary of the Pep Squad during her three years in that organization–loves basketball–always completes what she begins.

Lots of Luck Nadine

Bill Geter

Extreme youth and an easily mispronounced surname make Bill an easy target for good-natured teasing–nevertheless, he can really strut his stuff in football, basketball, tennis, and plays – likes strange combinations such as chemistry and dancing.

Linioel Geyer

One of our most valuable "Pennies" from heaven–a fair charmer–faithful, energetic worker for the "Growl"–top-notch clarinet-tooter–beautiful, poised actress of many, many plays – member of the National Honor Society–gay, friendly, popular Senior. Can you guess who?

Margaret Gikas

Tiny, pert Miss Gikas rates high in the dramatic line–played as page boy in "The Merchant of Venice" – was member of the Dramatic Club two years–typed on the '37 team–"pepped" in the Pep Squad three years–has eyes like washed violets.

Oma Gilbreth

One of Borger High's steadfast traditions is that Oma must be in almost every play given—versatility is one of his strongest points – powerful proof is presented by his activity in clubs and on the "Growl," for which he writes the all-absorbing article, "Date Book."

"Remember the S. O. S."
Dorothy Gillman

Dorothy Gillman

Ingenuous Dorothy with her good-natured ways makes a swell member of the Pep Squad—has belonged to the Home Ec, Personality, and Big Sister Clubs—is secretary of the last—plays the piano well—looks very trim and tiny driving around in her big Packard.

Opal Ging

Opal Ging

Opal quite surpasses in beauty the gem which bears her name—she's one of the necessary "ingredients" of our band and band club—is particularly fond of music, having sung in the choral clubs of various schools – was vice-president of the Spearman organization.

To a swell dear friend Pal - Remember me as Genevieve Goodwin

Genevieve Goodwin

"Gene" is the Southern beauty of B. H. S. and has participated in plays, pep squad, and club activities since her freshman year—always has a smile for everyone—has proved an asset to Borger High.

Here's to you for you are a sweet gal.
Peggy Irene Greenway

Peggy Greenway

Peggy, although a Senior newcomer, has already made herself outstanding because of her coal-black eyes and great activity – her interests are in the fields of Home Ec and basketball – is a real beauty.

Jack Griffin

Curly-haired "Kid Galahad" has been the "loyalest" of all our loyal Bulldog boosters for the past four years—was twice manager of the football team—also takes active part in many clubs—is witty, well-liked, and a wonderful kid.

Goldie Christina Guffey

Ginger has plenty on the ball when it comes to public speaking—always comes out ahead in Interscholastic League contests for extemporaneous speech—fulfills her position as secretary of Current History Club with honor—is a regular "Goldie" mine of activity.

"Here's hoping you have a successful next year" "Ginger" Guffey

Winston Gunter

"Bud" is a pal of everyone. His interest in the D. O. Club has kept him busy, but he has taken time out to be vice-president of Current History Club and an active member of other organizations.

Rudy Hartin

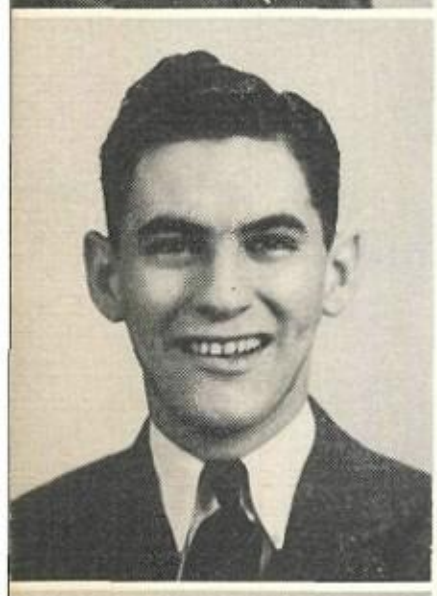
The little black-haired Hartin boy is known by no other name but Rudy—he came here from White Deer, where he had been outstanding as an actor in the Junior play – the Science Club claims him as one of its most loyal, interested members.

Lorena Hatton

Lorena is a very gifted little girl who comes to us from Amarillo—through this short span of nine months we find her talent lies in music—she's deeply envied by members of the band on her ability to skillfully play any band instrument – she also teaches music.

Mary Katherine Hile

This lovely colleen is a beauty of Borger High—gorgeous brown eyes and a flawless complexion —envied by all the girls—Mary Katherine has been active in the J. C. L. Club work and is a friend of all and to all!



Albert Holcombe

Folks, meet "Hokey" — snappy center of the Bulldog team — Most Popular Boy of his Junior class—past band member who has placed high in several drum solo contests—a boy who obviously never requires Dale Carnegie's advice on winning friends.

Thelma Holcomb

Charming prexy of last year's Big Sister Club — Sophomore typing team member with a scintillating smile—distinguished Diversified Occupations student —admirable actor of "She Stoops to Conquer" — Gearld's girl — that's Thelma, otherwise called "Peggy."

Frank Jones

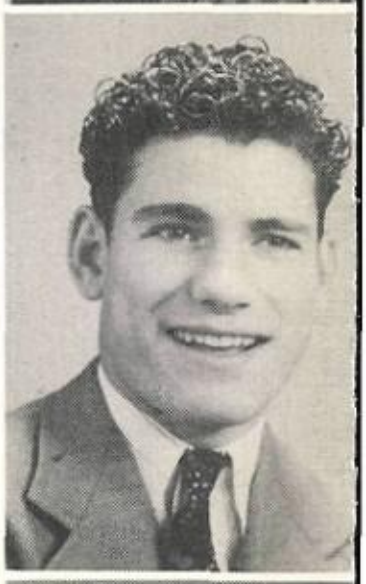
This big, blond, husky fellow is known to us as "Pancho"—he's an ardent chemistry student—is held in high esteem as a Junior Policeman, and has a worthy record to his credit—was captain of the organization in '38.

Elizabeth Keith

Hold tight, 'cause "this here" is our "Liz"—she's our Most Popular Senior girl—a National Honor Society member — frequent honor bearer for her fine flute playing — four-year *Growl* Staff reporter—lovely blue-eyed maiden with personality plus.

Evelyn Klein

Evelyn, better known as the "Brat," is adored by everyone for her smiling countenance — has been active in Pep Squad, Typing and D. O. Clubs—is a great admirer of the opera.



Phillip Koehler

Captain Koehler — "Ironhead" star of the Bulldogs with plenty of what it takes to win — outstanding scholar—Best All-round Boy of the '39 Junior class — track champ of the mile and high hurdles — heart-throb of every girl in school—that's this handsome curly-topped boy of whom we're speaking.

Maxine Laughry

Maxine, more often called "Mackie" by the students of Borger High, is a noted member of the Diversified Occupations Club, wherein she is stationed at the reporter's post—was in Amarillo's student council before coming here—is a self-possessed young lady.

Guy Leach

This "Guy's" got a gooney nickname—he's called "Bugs"—also has an indefatigable smile—has played in the band during his entire high school career—is first lieutenant in that notable music-making organization this year — frequently "cornets" his way to honor in contests.

Wendell Lesher

Studious Wendell can be found reading a book if he has his lessons complete—some people call him shy—but he always has his mind so full that he just doesn't find time for social affairs.

Audrey Luttrell

If one looks really hard he will notice a small, but large-enough-to-be-seen girl skipping around school—the nickname, "Skippy," is appropriate for Audrey because she has skipped along with the pep squad for three years—is prominent in all Home Ec activities.

"Lots of Luck"
Audrey Luttrell

Dorryace McDonald

Died Aug. 1940

Ingratiating "Dorry" possesses utterly fascinating features of face and personality – as a "Fish," was member of the Pep Squad—has held the position as secretary in both the Wild Animal and Home Ec Clubs – instead of music, like the old lady with bells on her toes, "Dorry" spreads sunshine wherever she goes.

Margaret McGee

We lost a very precious gem when our "Maggie" left us this year – she was "tops" as drum major—held state and national honors for her superb skill—was tennis champion and Annual photographer – stole our hearts as naughty Toinette in "The Imaginary Invalid" and, more important, as her own sweet self.

Ina B. McGowen

This little damsel, dubbed "Bertha" through some mysterious source, is a veritable heart-breaker – has been outstanding in the Clothing and Personality Clubs—was a quartet warbler in '38—is famed for her vivacity.

Bill Mongold

Bill isn't just another "Bill"—he is *the* Mr. Mongold—valuable basketball and football player—a prized student of Borger High who can be recognized by his brown, tumbled hair.

Margaret Jo Moore

An alive, interested girl who takes part in just about everything is this blue-eyed, fair-skinned "Jo" at whom you are gazing – she's quite adept and speedy at typing—at the present moment, she's an active Library Club member.

Wesley Nance

Tall, serious Wesley has a decided flair for science—he's belonged to the Chemistry, Science, and Exploration Clubs – acted as president of the Hi-Y Club—is a loyal, dependable fellow—we all like him, and that's saying a lot.

Mary Ellen Nelson

This blue-eyed, fair-haired, fun-loving miss is none other than "Swede" Nelson—she's formerly been the Band Club secretary and a Dramatic Club member—can snappily "beat it out" on her snare drums—makes a most attractive center for the group by which she's always surrounded.

Francis Olson

"Olie" is the charming "Swede" of B. H. S.—proved an able assistant stage-manager to "She Stoops to Conquer" – took an active part in Current Events Club and Science Club.

Good luck to a swell friend.
Margie Parker

Margie Parker

Tall, slender Margie is the school's dreamy-eyed poet—came to us this year with a smile and a song in her heart—no wonder she got along!—belongs to our Library Club—sang in the Choral Club of another school before coming here.

Billy Pfeffer

Deep, beautiful, black eyes – acting ability–a finely-developed sense of humor – adeptness in the newspaper line – sonorous voice, outstanding in the Glee Club–a perfect head for business, as shown in the title, "Business Manager of the Annual"–all these remarkable characteristics has "Charley."

"Here's to luck to a swell girl"
Clyde Poston

Clyde Poston

Under his quiet, outward appearance Clyde is a bit of mischief – he never says much in class but he isn't so peaceful out of class–has been in the History Club one year and the Industrial Arts Club for three years – spends his leisure time "baseballing."

Best wishes from
June Reynolds

June Reynolds

Fair June has limpid b r o w n pools for eyes, as the poets might express it–she likes to draw – has been a Junior Classical League member and "Growl" reporter–was a creditable actress in two plays–is most proficient and profuse in the gentle art of conversation.

Lots of Luck
Adeline Riddle
Passed away
Sept. 1941

Adeline Riddle

Pretty, pert "Pat," who goes under the name of Adeline to the teachers, is another one of those quiet girls–came to Borger from McLean, where she was Vice-President of her Freshman class. Here she has been an active member in the Reading Club, Girls Club, and Home Ec Club.

Jack Roberts

Confidentially, Jack's our artist, and a perfectly grand one he makes, too–on looking around, there are not many things "Texas" can't do well–he's made successes of his numerous s t a g e characterizations–has, like Midas, a "golden touch" in the fine art of making friends–makes an invaluable Assistant Editor of the "Growl."

Sylvia Ryder

Who is Sylvia? A songbird from 'way back–true lover of music–first soprano of former trios, quartets, and choral clubs–winner of the '38 Amarillo Music Festival Solo Contest–National Honor Society secretary–J. C. L. member–clarinetist of the band –taken all in all, a poised, super lovely girl.

Jearld Say

Jearld Say

Jearld is Borger High's first-rate "pest"–even at that he has been an asset to the school–he "laid them in the aisles" in the Speech play, "First Dress Suit"–was secretary of the Library Club and vice president of home room–Jearld could argue with a post –if it ever occurred to him to do so.

Jo Frances Seeger

"Jodie" is the beauty with brains–was Football Queen in her Sophomore class in Oklahoma and has taken this school by storm, too–is Assistant Editor of the *Borgan* and one of the few girls who venture toward science–favorite pastime is telling a pointless joke – enough can't be said about "Jodie" – she's a swell gal–and can't be beat.

"Success to a swell girl"
Anna Marie

Anna Marie Shipley

Anna Marie is as pretty as they make 'em–she's also a perfect little lady, and can run rings around everybody in the enthusiasm she manifests in her activities–has been both president and secretary of the Diversified Occupations Club – played on the volleyball team one year – has a g o r g e o u s "toothpaste smile."

Ethrich Shipley

"Treetops" Shipley lives "up" to his name in fine style–is our s t r a p p i n g sergeant-at-arms–played football gloriously last year–was secretary and treasurer of the Industrial Arts Club–is an honored, respected member of the senior class.

Joan Shouse

married april, 1940 Marine Kaiser

"Jodie Bud"—supremely popular and lovable young miss—former president of the Panhandle High School Press Association – the hard-to-tame "Tuffy" of the "Growl" staff play—president of last year's Junior class—National Honor Society member—Senior reporter – Most Popular Junior girl—we could go on like this for hours.

Best wishes to a swell gal and a pal I will never forget in all my hockey playing days. Good luck to the best, Darlus

Darlus Shipp

married May 1941

Darlus should be the perfect wife, if "the way to a man's heart is through his stomach"—has been in the Home Ec Club for four years and simply "eats it up"—has been a great asset to the Pep Squad for three years—her lovable fault: she *never* catches a joke.

Bob Sickles

"Tarzan" Sickles "mows 'em down" on the football field—is one of the fastest, snappiest men on the Borger squad—deserves all the praise he's got in his three years as football letterman—besides all this, he's won every sort of track honor imaginable—is a favorite with teachers and students alike—it's a cinch he'll go far.

Jean Stahl

Light brown-haired Jeannie is of the "intelligence" department of Borger High—has something besides a little gray fluff in her noggin—is treasurer of the National Honor Society—won first place in the '39 district Latin Contest – enthusiastically and praise-worthily participates in all activities.

married aug. 1941

Anna Ruth Stewart

Anna Ruth's nickname, "Pee Wee," is certainly a fitting one for its owner—she's tiny, pert, and blonde, with an overabundance of zip—is the ingratiating little drum major of our band—mad "Pokey" and endearing character in last year's Junior play – would be an effective teacher of any course in popularity.

Sherman Sullivan

"Big Sully" is just what his name implies—he has saved the day many times for the Bulldogs at his position of left tackle – one of the few to letter four years in football and deserving of the honor—has proved to be an excellent sergeant-at-arms in "B" Club and Hi-Y Club.

Charles Thompson

"Charley"—a queer name for a Greek or Roman god—but there he is!—comes from Kansas where he was Treasurer of the Freshman class – since coming here, has been elected Vice President of D. O. Club and is active in the Hi-Y Club.

Mrs. Jewel Tilley

Jewel is an added "gem" to Borger High – recently entered here from Shidler, Oklahoma, where she was Secretary-Treasurer of the senior class—on the "A" squad basketball team—has a "voice like a bird" and sang in the trio and quartet – here she plays the flute like "Piccolo Pete" for the band.

Virginia Towler

Like her nickname, "Ginger," she puts ginger into what she does—has played basketball and volleyball nearly every year – from her old home state, Wyoming, she was the "prexy" of her junior club—played basketball the year the team won third all state—the athletic, quiet type.

C. W. Byrns

This bundle of dynamite had rather play football than eat – was lineman for the Bulldogs this year—has never been known to sit still a minute in his life—at least we haven't seen him still.

D. L. Vaughn

Here's that tall, dark, and handsome boy with pretty, black, curly hair—every inch a gentleman—gives most of his time to his studies and is quite active in club work—has other interests which tend toward those of an athlete.

Betty Ruth White

The Pep Squad really has something in this enthusiastic member—Betty is a blue-eyed little girl made out of the real stuff—she's been active in club work all during her four years of high school – was reporter for the Home Ec Club in her third year—can produce tears or laughter from any audience listening to her poetic recitations.

Victor Aubrey

Running over with energy and pointless jokes, tall Victor made an outstanding figure in our school—was capable president of the National Honor Society and Senior Class treasurer – played the leading role in "The Imaginary Invalid"—excelled in math—we counted it a great loss when he moved away at mid-term.

Alpha Rentfrow

Alpha will do anything for a laugh – although he may not look like it, he is very mischievous—just ask his teachers! He's an earnest worker of the D. O. Club and is well on the road to success.

Geneva Hinds

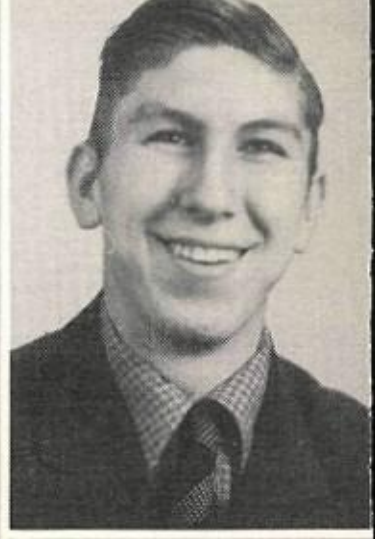
Geneva is so quiet that Borger High didn't realize she was here until her excellent work brought recognition – comes from Oklahoma, where she was active in 4-H Club—belongs to the History Club here and likes to sew "'till the cows come home."

Alfred Wilson

Alfred can talk a leg off anyone—even his teachers! His beautiful gray eyes have made many a heart skip a beat, but, sad to say, he hasn't time for girls – he's more interested in his D. O. Club work and will walk a mile to ride a motorcycle!

Peter Lee Ehlers

Tall mathematical wonder of our school with a magnetic personality for the fairer sex – eh, what, Frankie?—sleepy blue eyes with "smile wrinkles" at the corners – Peter Lee moved away from us this year but left a poignant memory behind.



George Ehlers

That tall, blond, good-natured boy we all see wandering around the hall—the very able captain of the Junior Police—played an able part in "She Stoops to Conquer" – first "Citizen of the Week" in the "Bulldog Growl" this year.

Bill Holcombe

"Billy Boy" hasn't been here long enough to display all his talents, but with his quiet, "gentlemanly" ways, he hasn't needed them to win friends—he was a top-notch football and basketball star in his home town—if they are all like Bill, let's import a dozen from Jacksonville.

1. Laureate of Borger High.
2. Is this our dignified Ginger?
3. Is the face a mirage?

At the weekly meetings, the programs dealt with such subjects as socialized medicine, personalities in the news, and the lives of Hitler and Mussolini.

A Christmas Party was held during the club period just before the Christmas holidays.

INDUSTRIAL ARTS

This club has been one of the most entertaining in school, and is under the adept sponsorship of Mr. Lear.

THE GROWL STAFF

Formerly known as "The Bulldog Growl," the paper has been an invaluable friend and aid to students and teachers. The sponsoring of an all-school play, "The Taming of Tuffy," early in October enabled the staff to edit the paper each week free of charge to B. H. S.

A broadcast of the "Growl" was sponsored once weekly over the local station from September through January.

Members of the staff have attended conventions and meetings at Amarillo, Lubbock, Denton, and Canyon. At Denton, the "Growl's" rating in the contest was raised thirty points above past efforts.

The staff offers a rising vote of thanks to Lynette Riordan, a postgraduate, who has stood faithfully by to mimeograph its editions of the "Growl."

LIBRARY CLUB

The Library Club was organized in September 1938 by Miss Dale, the librarian at that time. Later in the year she resigned to go to Washington, and Miss Mabelle Taylor, the succeeding librarian, reorganized the Club. Miss Wilson, the present Librarian, is sponsoring the club this year.

The Library Club is open to all classes in Borger High School, but this year it is made up of Juniors and Seniors.

The Club is not limited or intended only for those interested in professional librarianship, but for those who are interested in books, reading, and personal improvement as well.

The first quarter was given to bringing the members into a working relationship with the library.

Later, reviews of current books were given through cooperation with the Current Literature Section of the A. A. U. W.

Plans have been made for continued reviews for and by the members, and for a course in personal improvements based on the various personality books.

Gaiety and excitement were rampant in our school "palace" on the night of February 13, for at that time was held our traditional coronation ceremony. First came the presentation of notables to the '39 queen, Lorene Boone, during which several judges selected Helen McDonald, one of a huge array of duchesses sponsored by local firms, as attendant to the 1940 queen. As the results of the queen election were announced, Katie Clark, lovely Senior candidate, took the throne. All money received as votes for class candidates was given to the band; thus the title, Band Sweetheart of 1940, is borne by

CHORAL CLUB

The Choral Club for the season 1939-1940 had an enrollment of more than fifty, for each semester. Before the Christmas holidays, a two-part cantata was given at several of the city churches and in assembly. After much consideration, it was decided to get robes for the club, which were used at the State contest held in Plainview in April.

Last year the club won a first division rating in the district contest and received a loving cup.

COMMERCIAL CLUB

Members: Evelyn Klein, Corrine Graham, Pauline Boylan, Betty Lou Gentry, Betty Lou Hull, Ollie Ann Campbell, Rue Ell Hart, Lillie Mae Osborne, Chrystene Boylan, Mary Lee Rodgers, Frankie Ann White, Miss Hutson, Sponsor.

TYPING CLUB

Typing Club activities include typing of social letters, speed and accuracy drills, and regular assignments, as well as practice for Interscholastic League contests. The Typing Club gives honorable mention to the following first-year typists, each of whom was awarded a bronze medal by the Commercial Department for typing 35 or more words a minute, with five or fewer errors, on a 15-minute test before Thanksgiving: Joyce Erickson, Margaret Young, Wilma Lee Jones, Earl Downey, Margaret McGee.

Members: Margaret Young, president; Peter Lee Ehlers, vice-president; Narcidel Pennington, secretary-treasurer; Margie Teague, reporter; Elsie Mae Cypert, Verna Mae Jefferson, Bert Stewart.

D. D. E. CLUB

The D. D. E. Club was first organized in 1926. The purpose of the club is to assure an incentive for better speaking. Students participating in debates, declamation and extemporaneous speech are aided in making an accurate analysis of speech problems. Each member has set as a standard, not the ability to express himself, but the effectiveness of impressing his audience. The club has attended four speech tournaments during the year; namely, Waco Lubbock, Pampa, and Amarillo. Borger has had several practice contests with nearby towns.

During the year 1938-39, the D. D. E. group won the following honors:

DISTRICTS

Declamation, Boys—First

VERA ADAMS
Second Year Winner, 1938

JEAN STAHL
First Year Winner, 1939

The Vera Chapter (so named in honor of Vera Adams, 2nd year winner in Latin Tournament in 1938) of the Junior Classical League was organized in 1938. This Borger Chapter boasts of the second largest membership of the entire State of Texas.

The Club was reorganized early in the year 1939 with Grace Adams elected President; Vera Adams, Vice-president; and Frances Watson, Secretary.

Latin students, past or present, having a good scholastic record and in good faith with Borger High School, may become members of this organization by being initiated in a very impressive ceremony at which time they are entitled to receive their attractive J. C. L. pin and membership card.

The Vera Chapter has two honorary members: Vera Adams, who won first place in 2nd year Latin contest in 1938, and Jean Stahl, who won first place in 1st year Latin contest in 1939.

October 25, 1939, the Junior Classical League entertained all present and past Latin members with a tea.

The Club will be host for the first time on April 6 to all-district Latin contestants entering the Latin Tournament. The guests will be entertained with a luncheon, tea, and banquet, which will be carried out in Roman pomp and style with all students dressed in elaborate costumes.

The purpose of the Junior Classical League is to teach students that Latin is not a dead language but lives in all the Romance languages of the world; to teach them a deeper appreciation of the great cultural Roman civilization; to show them that the Roman people, by their law, art, and literature, made great contributions to the entire world, and, by their knowledge of Latin, to help to keep the lamp of learning aglow.
